

FOLLOW THE GARFIELD TRAIL

Garfield the cartoon cat traces his roots to Grant County, Indiana where his creator, Jim Davis, was born and raised.

In honor of the cool cat, communities throughout Grant County erected statues of Garfield. Each statue sports a unique design that depicts the heritage and character of the location in which it stands.

Be sure to check out some of Garfield fans' favorite Grant County attractions, too. Look for fun things to do only a short distance from statues along the Garfield Trail.
